RE: MUR 5047

Dear Sir or Madam:

In the normal course of carrying out its supervisory responsibilities, the Federal Election Commission considered the issue of whether AT&T Corporation violated 2 U.S.C. § 441b(a), a provision of the Federal Election Campaign Act of 1971, as amended, in connection with extending credit to the Clinton/Gore '96 General Committee through its UniPlan Services. On July 11, 2000, the Federal Election Commission found no reason to believe that AT&T Corporation violated 2 U.S.C. § 441b(a). Accordingly, the Commission has closed the file in this matter.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

If you have any questions, please contact Delbert K. Rigsby, the attorney assigned to this matter, at (202) 694-1650.

Sincerely,

Lawrence M. Noble
General Counsel
